## St. Clair County Library System has Canceled All Programs until Further Notice

The St. Clair County Library System (SCCLS) considers the health and safety of our patrons and staff a top priority.

We are postponing all Library programs until further notice in accordance with the recommendations of the St. Clair County Health Department and the Centers for Disease Control.

All eleven branches of the St. Clair County Library System will remain open with regular operating hours. We will continue to follow guidelines for cleaning and disinfection, as recommended by the St. Clair County Health Department and the CDC.

For those who are limiting their exposure by staying home but still wish to use library services, remember that SCCLS offers a large variety of digital options including eBooks, eAudiobooks, eVideos, eMusic and eMagazines. Our website, [www.sccl.lib.mi.us](http://www.sccl.lib.mi.us) is our online branch and it never closes.

Any information regarding further disruptions to library services will be posted on our website [www.sccl.lib.mi.us](http://www.sccl.lib.mi.us) as well as on our social media pages.

For more information on how to reduce your risk to exposure of COVID-19, please visit [www.stclaircounty.org/offices/health](http://www.stclaircounty.org/offices/health).

Sincerely,
