**St. Clair County Prescription Drug Abuse Workgroup  
Celebrates National Recovery Month**

Every September, Substance Abuse and Mental Health Services Administration (SAMHSA) sponsors National Recovery Month to increase awareness and understanding of mental and substance use disorders and celebrate the people who recover.

The St. Clair County Prescription Drug Abuse Workgroup has launched a campaign to celebrate local individuals in recovery. The "I'm In" campaign aims to reduce stigma of addiction and encourage individuals and families of those suffering with a substance use disorder that recovery possible.

There are four individuals highlighted in this year's campaign. You can watch their stories on our website [www.scchealth.co](http://www.scchealth.co) and social media pages @scchdmi throughout the month. We want to acknowledge and thank the recovery community for telling their stories. Funding for this project was provided by MDHHS and Region 10 PIHP.

If you are interested in the Rx Workgroup and would like to learn more, please call (810) 987-5300. If you or someone you know is in need of treatment, please call the Region 10 Access Line at (888) 225-4447.
