St. Clair County Governmental Facilities – Update

All taxiways and runways at the St. Clair County International Airport have been cleared. The Airport has now resumed normal operations. No further interruptions are anticipated at this time.

Due to the predicted wind chill temperatures, the Smiths Creek Landfill will be limiting hours of operations on Wednesday, January 30, 2019 to 10:00 a.m. until 2:00 p.m. Recycling services will also be suspended for the entire day. Normal operations are anticipated to resume on Thursday, January 31, 2019 at 7:30 a.m. Future updates will be provided as necessary.
