

ATTACHMENT TO UNIFORM CHILD SUPPORT ORDER

IT IS FURTHER ORDERED that child support shall stop the last day of the month after a minor child's eighteenth birthday. If child support is continued due to high school attendance, child support shall stop the last day of the month after sufficient credits have been earned for graduation.

IT IS FURTHER ORDERED that child care shall stop effective the date that it is no longer incurred. Upon notice to the Friend of Court, a proposed order will be sent to the parties with an objection notice. If child care is no longer being incurred, the order shall enter.

IT IS FURTHER ORDERED that paragraph number 10 (Redirection and Abatement) from the Uniform Child Support Order, is clarified to include the following provision; Friend of Court shall abate support charges for a child who resides on a full-time basis with the payer of support, or with a person who does not have legal standing or is not providing foster care; Modification or reinstatement under this provision shall be effective the date of the change necessitating the redirection or abatement or reinstatement. Support shall abate when a payer is incarcerated for 7 or more days without income, assets, or availability for work release effective the date the Friend of Court has notification of incarceration.

IT IS FURTHER ORDERED that child support, child care and ordinary health care shall again charge effective the date the payer is released from incarceration or upon the payer's receipt of income of any kind. Base support shall charge \$25.00 and ordinary health care shall charge \$14.00 monthly. For cases with more than one child, base support shall remain at \$25.00 monthly, and ordinary health care shall charge 50% of the yearly ordinary medical amount of \$345.00 per child. The case shall then be set for a review of support. All newly established cases shall be set for a review upon the payer's release from incarceration.

IT IS FURTHER ORDERED that if confinement has been previously established, the medical account for confinement expense shall charge \$25.00 per month until the total expense owed has been charged. All amounts charged are considered past due medical arrears.

IT IS FURTHER ORDERED that the payer of support shall, in addition to all current charges and fees, make monthly payments on the arrearage in accordance with the Michigan Child Support Formula in an amount equal to two percent of the arrearage, but not greater than half the current monthly charging amount and not less than \$50 per month.

IT IS FURTHER ORDERED that direct payment credit will not be given on the account if such payment is made when a cash TANF grant and/or Medicaid is being received on behalf of the minor child(ren). If a full TANF grant is received, and the parties do not reside together, or if the either party submits a written request, support will again charge through St. Clair County Friend of the Court. All balances owed to the State of Michigan, unless otherwise ordered, are preserved.

IT IS FURTHER ORDERED that if either party to this case has insurance available at a reasonable cost as determined by the Friend of the Court pursuant to Michigan Child Support Formula 3.07(B)(a), said party shall provide insurance so long as it is available as a benefit of employment or if available at that cost. Upon change of circumstance regarding the availability of health insurance for the minor child(ren) at a reasonable cost, EACH parent is required to obtain insurance for the minor child(ren) if available at a reasonable cost. To reflect any insurance adjustment on the support order, a motion must be filed (or if 3 years have passed since entry of the current support order, a review may be requested.)

IT IS FURTHER ORDERED either party is prohibited from exercising parenting time in a foreign country/nation that is not a party to the Hague Convention on the civil aspects of international child abduction, unless both parents provide the court with written consent to allow a parent to exercise parenting time in a country/nation that is not a party to this convention.

IT IS FURTHER ORDERED that orders between the same parties to this action may be incorporated in regards to any and all Friend of Court actions.

The Friend of the Court account information is available at all times either by calling the Interactive Voice Response System (IVR) at (810) 989-6970 or www.michigan.gov/micase.
