### **MASTER PLAN - For county-wide reference only.**

No site-specific decisions should be inferred from these maps without independent verification of the information represented.

#### Sources:

The shoreline and rivers data were obtained from the Resource Mapping and Aerial Photography Section of the Land and Mineral Services Division of the Michigan Department of Natural Resources. (RMAP)

This map is only intended to be a general representation of the ideas and views of participants in the Master Plan Process. Please refer to the Future Land Use Alternatives Technical Report, Spring 2000, for more information. This map DOES NOT depict exact boundaries or the intended future use of any particular property.
