

Public Water Service Areas

-  Surface Water
-  Service Area

This plot was generated for inclusion in the St. Clair County
MASTER PLAN - For county-wide reference only.
 No site-specific decisions should be inferred from these maps
 without independent verification of the information represented.

Sources:

The shoreline and rivers data were obtained from the Resource Mapping
 and Aerial Photography Section of the Land and Mineral Services
 Division of the Michigan Department of Natural Resources. (RMAP)

The Water Line Service Areas were digitized in the fall of 1998 from drawings on plat
 maps at a scale of 1:50,000. This data is maintained by the St. Clair County
 Metropolitan Planning Commission and has not been verified for accuracy.
