

Folkpatterns Report Sheet

Name: _____

Club: _____

Age: _____

What is the item? _____

How did you obtain it? _____

At what time in history was this item used? _____

Please complete the following questions and submit with your project:

1. What significance is this project for you – that is what special reason do you have for choosing this particular project?
2. Please give us some background behind the project/article. Include why and how it is important in history and why it is important to be preserved for future generations.
3. What country(s) or people was this used by?
4. Where is the best place to get more information on this item/project?

A great addition to this report would be an interview by a person or persons who might have used this to record their feelings of importance of this item and how it contributed to their success or made life easier for them.
