Diaper Drive – A cause you can get behind for babies in need

The St. Clair County Health Department’s Maternal and Infant Health Program (MIHP) is running a Diaper Drive for participants starting Friday, July 8, 2022. Donations of new packages of baby diapers (all sizes) including baby wipes, rash creams, or baby hygiene items are being requested. 100% of donations will be given to eligible MIHP participants.

Drop off donations at the St. Clair County Health Department, 3415 28th Street in Port Huron during regular business hours: Monday 10:00am - 6:30pm or Tuesday through Friday 8:00am – 4:30pm. MIHP is also providing donation pick-ups by calling (810) 987-4903. Monetary donations can also be made via St. Clair County Treasurer’s PayPal at: <https://www.paypal.com/paypalme/sccmitreasurer>.

MIHP is a free benefit for Medicaid and Medicaid eligible pregnant women and babies up to 18 months. MIHP makes sure pregnant women are on the road to a healthy pregnancy with positive birth outcomes. When the baby is born, MIHP also helps with meeting growth and developmental milestones.

MIHP encourages companies, groups and individuals to join the cause for babies in need TODAY! For more information about the Diaper Drive or MIHP, call (810) 987-4903.
