

ACHIEVEMENT

Achievement encompasses all the accomplishments in your 4-H involvement. This includes workshops (local, regional and state), recognition events, Winter Achievement, Communication opportunities, etc. This project is a compilation of everything you have done so that you can share the progress and the growth that you have made over the years. We want all of your achievements, not just the big ones, because even small achievements can have tremendous learning experiences. Be proud of all that you have done.
