

TITLE X: SC4 CAMPUS HEALTH CLINIC

Michigan's Family Planning Program provides high quality reproductive health care to women, men, and teens at low or no-cost. Family Planning is a public health service that helps individuals and families to plan for their desired family size and spacing of children or to prevent an undesired pregnancy.

What is Title X?

The nation's family planning program. Enacted in 1970, it is the only federal program dedicated to family planning and reproductive health services.

Title X was created to provide affordable birth control and reproductive health care to individuals regardless of residency or immigration status, as well as age, race, sexual orientation, gender identity, income or insurance status, or any other characteristic.

St. Clair County Health Department – Personal Health offers Title X services at SC4 Campus clinic.

This program offers services 5 days a week including:

- Information on birth control and sexual health
- Help choosing the birth control method that best fits your life
- Help planning a healthy pregnancy when you want a baby
- Pregnancy testing and counseling
- Testing and treatment for sexually transmitted infections (STIs)
