Temporary Choices for Powder Formula, Effective March 9, 2022

Due to the Abbott recall, the following formulas can be purchased using WIC EBT benefits until further notice. Depending on the size purchased, one or two cans of Similac formula will be removed from the benefit balance – see below.

If the WIC benefit balance shows:	There is also the option to purchase:		
<p>Similac Soy Isomil 12.4 oz powder can</p>  <p>UPC: 070074569765</p>	<p>Gerber Good Start Gentle Soy 12.9 oz powder can</p>  <p>UPC: 005000003530 Counts as 1 can</p>	<p>Enfamil ProSobee 12.9 oz powder can</p>  <p>or</p>  <p>UPC: 300871214415 Counts as 1 can</p>	<p>Similac Soy Isomil powder is NOT included in the recall. If you can't find Isomil you can choose from one of the other options.</p>

Look at your benefit balance to determine the number of cans.

You can mix and match sizes.

1 Large (27.4-33.2oz) can = 2 small (12-12.9oz) cans

If you have one can left, you can only purchase a small can.
