Planning for 2023-2027

- ❖ Quarterly Stakeholders meetings have been scheduled.
- ❖ The subcommittee meetings will also continue quarterly.

Three Priority Areas Chosen

1. Mental and Behavioral Health
2. Substance Use
3. Obesity and Associated Health Behaviors

Overall Goal of the CHIP

Implement a collaborative set of strategies in order to improve the health outcomes prioritized by community stakeholders ensuring equity and inclusion.

Mental and Behavioral Health

Goal: To improve the mental and behavioral health of St. Clair County residents.

Examples of strategies include:

- ❖ Increase awareness of services available in the county
- ❖ Promote behavioral health screenings at primary care provider visits for individuals 8-18 years of age
- ❖ Improve coordination of care between EMS and mental health organizations

Substance Use

Goal: To reduce substance abuse rates, unintentional injuries, and drug-induced deaths for St. Clair County residents.

Examples of strategies include:

- ❖ Increase naloxone training and accessibility in the community
- ❖ Promotion of healthy coping mechanisms for those in recovery
- ❖ Increase social media outreach campaigns on the health effects of vaping

Obesity and Associated Health Behaviors

Goal: To reduce the overweight and obesity rates and increase healthy behaviors of St. Clair County residents.

Examples of strategies include:

- ❖ Physical education classes other than gym in schools
- ❖ Offer in-person and virtual food prep classes
- ❖ Promote health programs at places of employment

Next Steps:

- ❖ Begin educating community members and partners on the 2023-2027 CHIP and how to implement strategies.
- ❖ Advocate for community involvement / participation.
- ❖ Participate in follow-up meetings to discuss strategies and progress.
- ❖ A Survey Monkey tool has been developed to track progress on the goals and objectives.

Upcoming Stakeholders Meetings:

- ❖ June 28th, 2:00pm-3:00pm
- ❖ September 27th, 2:00pm-3:00pm
- ❖ December 20th, 2:00pm-3:00pm
