

St. Clair County School Immunization Completeness and Waiver Data by School District

Introduction: This report displays data regarding students with completed immunizations and vaccine waivers by school district. A student with completed immunizations has all **required** vaccinations for school entry in Michigan. Students that have a vaccine waiver, incomplete, or pending documentation when the data was pulled with be considered incomplete for the purposes of this report.

This data was obtained from the Michigan Care Improvement Registry (MCIR). Each school within St. Clair County was responsible for reporting immunization and waiver data for all kindergarteners, 7th graders, and transfer students (all ages) each school year. The tables below display the total number of students, number of students with completed immunizations, number of waivers, percent complete and percent with waivers for each school district. The last page of this report includes an infographic from MDHHS that breaks down the required vaccinations by age or grade.

Please note that some recommended vaccinations were not required by the State and this report only measured completeness for required vaccinations.

Kindergarten

District	Total # of Students	# of Students with Complete Immunizations	# of Waivers	% Complete	% Waivers
Algonac Community Schools	113	104	5	92.0%	4.4%
Capac Community Schools	64	55	7	85.9%	10.9%
East China School District	267	229	30	85.8%	11.2%
East Shore Leadership	17	14	*	82.4%	5.9%
Landmark Academy	69	61	6	88.4%	8.7%
Marysville Public Schools	188	171	11	91.0%	5.9%
Memphis Community Schools	60	55	*	91.7%	5.0%
Port Huron Area School District	548	514	20	93.8%	3.6%
Private	94	82	12	87.2%	12.8%
Yale Public Schools	153	135	13	88.2%	8.5%
Grand Total	1573	1420	108	90.3%	6.9%

7th Grade

District	Total # of Students	# of Students with Complete Immunizations	# of Waivers	% Complete	% Waivers
Algonac Community Schools	99	88	*	88.9%	3.0%
Capac Community Schools	59	51	8	86.4%	13.6%

Grand Total	1520	1365	110	89.8%	7.2%

Vaccines Required for School Entry in Michigan

Whenever children are in group settings there is a chance for disease to spread. Children must follow vaccine laws in order to attend school. These laws are the minimum standard for preventing disease outbreaks in group settings. The best way to protect children from serious diseases is to follow the recommended vaccination schedule at [cdc.gov/vaccines](https://www.cdc.gov/vaccines). When following the recommended schedule children are fully protected and any school vaccination requirements are met.

	All Kindergarteners and 4-6 year old transfer students	All 7th Graders and 7-18 year old transfer students
Diphtheria, Tetanus, Pertussis (DTP, DTaP, Tdap)	4 doses DTP or DTaP 1 dose must be at or after 4 years of age	4 doses diphtheria and tetanus or 3 doses if 1 st dose given on or after 1 year of age 1 dose Tdap at 11 years of age or older upon entry into 7 th grade or higher
Polio	4 doses or 3 doses if dose 3 was given on at or after 4 years of age	
Measles, Mumps, Rubella (MMR)*	2 doses at or after 12 months of age	
Hepatitis B*	3 doses	
Meningococcal Conjugate (MenACWY)	None	1 dose at 11 years of age or older upon entry into 7 th grade or higher
Varicella (Chickenpox)*	2 doses at or after 12 months of age or Current lab immunity or History of varicella disease	

***If the child has not received these vaccines, documented immunity is required.** All doses of vaccines must be valid (correct spacing and ages) for school entry purposes. These rules apply to children who are the above ages upon entry into school. During disease outbreaks, incompletely vaccinated children may be excluded from school. Parents and guardians choosing to decline vaccines must obtain a certified non-medical waiver from a local health department. Read more about waivers at [Michigan.gov/immunize](https://www.michigan.gov/immunize).

The Michigan Department of Health and Human Services will not exclude from participation in, deny benefits of, or discriminate against any individual or group because of race, sex, religion, age, national origin, color, height, weight, marital status, gender identification or expression, sexual orientation, partisan considerations, or a disability or genetic information that is unrelated to the person's eligibility.
