## 2025 Proposed General Fund Budget Highlights

- The total General Fund budget increased 1.64% (\$1,177,052) over the current 2024 amended budget.
- The General Fund fund balance remains strong at 16.27% of 2025 proposed expenditures.
- Tax revenues are projected to increase 3.07%.
- County revenue sharing from the State increased by 9.15% (\$4,910,293).
- Other revenues such as charges for services, court costs and dog licenses have conservatively been reduced or remain flat based on current economic conditions.
- Due to declining revenues for the Commercial Motor Carrier and Inmate Billing programs, an additional appropriation from the General Fund is required.
- In addition to normal step increases, a 3% wage adjustment has been included for all employees.
- Employer contributions to the pension system are included at 30% of eligible payroll. This will cover 100% of our Actuarial Determined contribution. Retiree health care contributions are included at 9% of eligible payroll.
- Employee health insurance premiums have increased by 22.45% for 2025 and includes the plan changes that were approved. The two Sheriff unions are still under contract until the December 31, 2025 and a 31.06% increase is included for those employees. The budget also includes employees continuing to contribute a 20% premium co share.
- Departmental non-personnel budgets have remained relatively flat compared to 2024 except where additional funding was needed to reflect actual spending trends, such as utilities, supplies, fuel, inmate meals and medical. The budget also includes funds for annual maintenance agreements for equipment purchased with ARPA funds.
- Appropriations to the Blue Water Convention Center for operations in the amount of \$450,000, \$210,000 to the Airport, and \$900,000 for the County Road Appropriation with no offsetting incoming transfer from the Landfill to cover the County Road Appropriation. All of these transfers are now paid from the General Fund operating budget.
- A budgeted contingency is included at \$107,560.

• The following manning table changes have been included in the 2025 proposed budget:

**ADMINISTRATION**

Administration is recommending the removal of the Administrative Services Manager position and creation of a Deputy Administrator Controller position. The current employee is set to retire at the beginning of 2025. Administration is requesting to combine the duties of the existing position with that of the new position with increased responsibilities for the County. There is no cost increase for this new position.

**ANIMAL CONTROL**

Animal Control is requesting to reclass the Veterinary Technician position due to additional duties this position performs. Human Resources has recommended a wage class of II-E. We are proposing to reclass this position from II-AA to II-E. During the wage study done in 2018, this position was a contract position and was not part of the initial wage study. Animal Control is proposing to reduce the student worker hours to cover the cost increase of \$1,974.

Animal Control is also proposing to eliminate a part-time Animal Care Technician and add a part-time Veterinary Technician. In order to fund this manning table change, we are proposing to reduce the hours worked for the part-time Veterinary Technician to 1,000 to make it cost neutral.
