## BCBS "My Advocate" - Scam

It was brought to our attention, that a retiree received a call from: "My Advocate"- program to assist in premiums for BCBS and Medicare. We are not able to confirm that it is a legit service, please do not provide any information. This information was passed along to St. Clair County's BCBS and Medicare Advantage Reps as well to make them aware. Please reach out if you receive any similar calls, emails, etc.

## IRS 1095 Forms—Health Coverage

Form 1095, Health Coverage, provides you with information about your health care coverage if you, your spouse or your dependents were enrolled in coverage through an insurance provider or self-insured employer last year. **The forms will be mailed out in March of 2025. However, it is important to note that this form is not required to complete your taxes.** You are likely to get more than one form if you had coverage from more than one provider, you changed coverage or employers during the year, or if different members of your family received coverage from different providers. Please note that retirees in the Medicare Advantage plan will **not** receive a form.

For more information or if you have any questions regarding filing your taxes and your 1095 form, please contact your tax specialist.
