HELP LOVED ONES WITH COLLEGE TUITION

Sign up for Tuition Rewards through SilverSneakers.

As a SilverSneakers® member, you know more participating location visits add up to better health. Now those visits can also add up to college tuition savings for designated students, thanks to our partnership with SAGE Scholars, creators of the Tuition Rewards® program.

How Tuition Rewards works

- Visit SilverSneakers participating locations¹ or attend SilverSneakers LIVE online classes and workshops* for a combined total of seven times in one month to accumulate Tuition Rewards Points for students that you designate (from birth to the beginning of their senior year of high school).
- You'll get 1,000 Tuition Rewards Points when you sign up for the program. Then each month that you visit any participating location seven times, you'll earn 250 points.
- Each Tuition Rewards Point equals \$1.00 in tuition discounts at more than 400 colleges and universities.
- Rewards points will show up in your account within 60 days of visiting a participating location.
- If you already have a Tuition Rewards account, you earn additional points through the SilverSneakers partnership.

About Tuition Rewards

- Tuition Rewards Points are redeemed in equal installments during the four years of college and are good for up to one full year of tuition discounts at participating colleges and universities.
