Port Huron Town Hall—Ken Jennings

When it comes to quiz shows, no one has done it better than Ken Jennings. A former software engineer, Ken rose to fame in 2004 when he spent six months as a contestant on *Jeopardy!* His 75-game streak and \$2.52 million in winnings are still *Jeopardy!* records today.

During his youth, Ken spent 15 years in South Korea and Singapore where his father practiced law. He spent many afternoons watching *Jeopardy!* and dreamed of being on the show. He achieved that goal, and beyond! He has since been named the show's "Greatest of All Time" and is currently hosting the nightly game show.

Jennings has appeared on numerous TV shows and is the author of 13 books, three of which are New York Times bestsellers. Ken appears nationwide speaking on topics such as the importance of education, artificial intelligence, his love for geography and shares his insider stories from behind the scenes at *Jeopardy!*

Monday, September 9th 10:30 am—11:30 am McMorrان Theater—Port Huron, \$45 tickets
