

ST. CLAIR COUNTY PARKS AND RECREATION COMMISSION GOODELLS COUNTY PARK RULES REGARDING HORSES

1. Horses must be kept away from the Community Center and Concession Stand. Animals must be kept off all sidewalks and grass areas adjacent to the Community Center and Concession Stand.
2. Horse trailers must be parked in the **gravel parking lot** located west of the Community Center (absolutely no parking is allowed on any lanes). Fire lanes must be kept clear. Vehicles and trailers may not be parked in or adjacent to fire lanes. Horse trailers with sleeping accommodations may be parked between the Quonset Hut and the Maroon Barn for multi-day events.
3. Horses may be dropped off or picked up on the lane in front of the horse barns or walked from the designated trailer parking areas directly to the rings or barns. Horses **MUST** use designated horse crossing area located near Park entrance.
4. Horses are not permitted to be ridden within the park, except in the rings and warm-up areas.
5. In the barns, all manure and bedding must be **cleaned-up** with a manure fork and removed from the park promptly after each event. **Scoop shovels are not allowed to be used to clean the stalls.**
6. Show Arena and all stalls must be cleaned after each use. Manure must be removed from all paved parking areas, pathways and horse wash stations. Failure to remove manure from these areas will result in a **\$100/per hour** cleaning fee.
7. Manure may be left in the rings and the grass areas immediately adjacent to the rings (does not include the hill).
8. Absolutely no lunging is allowed in Ring #1 (red judge's barn). Use of Ring #1 is limited to warm ups and competition events only. It is not available for practice and will remain locked unless it is rented.
9. Lounging is only allowed in the grass area by the gravel parking lot.
10. All rental fees (including security deposits) **MUST** be paid **PRIOR** to using the facilities.
11. Security deposits will only be refunded after all outstanding fees have been paid – camping, cleaning, etc.

NOTE: Manure cleanup includes straw, sawdust and other bedding materials.
