## Millage Distribution

This year marks the 29th year that the St. Clair County Parks and Recreation Commission (PARC) will distribute 25% of the County Parks and Recreation millage funds collected back to the local units of government.

The 2023 Local Millage Distribution table (located to the right) includes the 2020 census figures used to calculate each community's share; the amount of millage funds distributed to each community over the past twenty eight years; and the amount of funds that will be distributed to each local unit of government this year.

In order for the 33 local units of government to receive their annual share of the County Parks and Recreation millage funds, each community's governing board must approve the submission of an annual Local Millage Distribution request form that outlines how the community has spent their share of the millage funds during the past year.
